

# DESMOND DAY

Where melody meets meaning.

Desmond Day is a Vancouver Island singer-songwriter delivering the sophisticated soul of the West Coast. A seasoned veteran of the elite lounge circuit, Desmond's world-class live set has earned the "thumbs up" from Paul McCartney's band and captivated legends like Carlos Santana. By combining rhythmic acoustic precision with a soulful, high-impact delivery, he commands the stage with the energy of a full band and the authentic heart of a storyteller.

- Featured performer for Paul McCartney, Carlos Santana, and Randy Bachman.
- Winner of the \$30K New Image Showcase and premier West Coast artist.
- High-impact solo sets delivering the sonic energy of a full band.

***"A powerful voice that absolutely commands the room." ~ Rob Eller, Fairmont Pacific Rim***
